# Comprehensive Financial Planning

## Includes

- 1. Goal Setting and Feasibility Analysis** - Assisting you in converting your dreams into measurable financial goals and analysing the feasibility of achieving those goals.
- 2. Risk Profiling** - Based on your current financial status, obligations, age combined with psychometrics, we determine the risk taking appetite for your family.
- 3. Existing Investments Review** - In depth analysis of all existing investments including Mutual Funds, Insurance Products, Public Provident Fund, NPS, Bank Deposits/Instruments and other financial schemes (except stocks) giving you concrete advice on each of them.
- 4. Investments Planning and Recommendations** - A solid investment plan in order to achieve your goals with asset allocation and investment recommendations tailored as per your specific risk taking appetite. We also utilize your existing investments optimally.
- 5. Emergency Fund** - Action plan to set aside an adequate amount of money for emergencies based on your financial obligations.
- 6. Insurance Planning** - Identifying the key risks and recommending an appropriate life and disability insurance coverage along with recommendations on some of the best policies out there.
- 7. Loan Planning** - Telling you the optimal amount of loan you need to take in order to achieve goals like buying a house, so that it doesn't burden you.
- 8. Tax Saving** - Helping you reduce your tax burden under section 80C and 80CCD with appropriate investments considering your risk profile and your goals.
- 9. Cash flows projections** - Next 12 months cash flow projections to help you keep up with the plan.
- 10. Financial Plan for your family** - We don't charge separately for a couple. We understand that you have common goals as family and we create a single plan considering both of you.

## Renewal

Your income and expenses will change on a yearly basis, time left to achieve your goals will change and the market situation will change. Considering these factors, we strictly recommend a yearly rebalancing and re-planning to adjust your investments.

Even if you need to change your goals, or if your risk profile changes, or if you happen to make additional investments against the plan or you miss implementing the plan due to some obligations, no worries. We've got you covered in our renewal service. You can avail our service again at a discounted rate.

**Engagement period** for the service will be 1 month from the date of subscription.
